FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 702 - HB 1434

March 31, 2009

SUMMARY OF BILL: Exempts an owner of a property that holds at least one assembly a year of over 50,000 individuals from the mass gatherings regulations if such owner obtains an annual license by payment of \$1,000 fee.

ESTIMATED FISCAL IMPACT:

**State Expenditures – Net Impact - Not Significant
Decrease State Revenues – Not Significant**

A more precise cost estimate is not possible because the Department of Health has not provided any information to assist in the preparation of this fiscal note.

Assumptions:

- The Department of Health will not incur a significant increase in state expenditures for any administrative revisions that may occur due to the provisions of the bill.
- The Department will not incur a significant decrease in state expenditures for fewer assembly licenses that may be issued due to the provisions of the bill.
- Owners of property where assembly of 50,000 or more individuals meet at least once will pay a flat annual fee of \$1,000 instead of the \$100 daily fee which will result in a decrease of state revenues which is estimated to be not significant.
